### SUB COMMITTEES

In line with our new constitution sub committees will be set up charged with coordinating and running the different aspects of the club'

Sue Holmes and Pauline Wilson will be in charge of running Social events, Social Bowls and Catering. Together with Anne & Alan Schipcot and Jock they hope to be running Sunday Social Bowls on a regular basis.

Garry Bilson will head up the Tournament committee with Mark Godbolt and Leanne Dickenson.

This season they have decided to run the first two rounds of the Club Pairs on one day and also the first two rounds of the Club Championships on one day.

Dave Safstrom will once again be in charge of running the Bar.

Gordon Charles has indicated that he will still look after Special Projects (Grants etc).

As you can see we are hopefully heading in the right direction and look forward to welcoming more members onto these and other committees as they are set up.

If you have driven past the club lately you might have noticed that our Security Fencing and BBQ area project has commenced. Chris Jolly is liaising with the Park Committee who are Project Managing the works.

Practice games have arranged with the first to be held at home against Seymour VRI on 16<sup>th</sup> September, commencing with a BBQ lunch at 12noon followed by 21ends. The second game will be the week after against Bendigo at Bendigo commencing approx. 1pm. Names should be put in to any Match Committee member or by putting your name up at the club.

Pennant availability sheets will also be put up in the club. The Match committee urge members to fill out these sheets well in advance of any unavailability.

Members with email addresses are asked to confirm or supply their addresses to the Secretary ASAP. This should ensure all members are kept up to date with any news, bowls events, social events etc happening around the club. Send to lancefieldbcsec@gmail.com

The CHBD have completed the Bowls program for the year, Saturday Pennant to commence 21<sup>st</sup> October and Midweek Pennant 24th October. All State events have been scheduled with all details to be published in the handbook. State event entry forms will be posted on the notice board as usual. Cost for State event entries will be \$10 per player but there will be NO GREEN FEES charged on the days of play.
